

## David McEvoy

### Partner

#### Overview

David is one of Australia's most experienced restructuring and corporate recovery practitioners, having practised for over 25 years in this sector.

His experience spans a broad range of restructuring, recovery and advisory roles for major financial institutions and other corporations, including:

- cashflow and solvency reviews for company boards
- turnarounds and workouts
- debt restructuring;
- independent business reviews
- voluntary administrations
- receiverships.

#### Specialist expertise

Industry sectors where David has particular expertise include:

- mining and resources
- healthcare
- retail pharmacy
- shipbuilding
- wineries
- financial services
- wholesale and distribution
- manufacturing, across a range of sub-sectors
- property development and construction
- managed investment schemes in primary industry sectors.

#### Experience/recent transactions

Some of David's recent major assignments include:

- Receiver of Burrup Fertilisers, Australia's largest fertiliser company.
- Lead partner on the Epworth Healthcare turnaround, for which David's team was recognised with the advisory firm "Turnaround of the Year" award by the Turnaround Management Association.
- Lead financial advisor to the banking syndicate on the workout of one of Australia's largest diversified miners.
- Receiver and Manager for the major secured creditor to the Timbercorp Primary Infrastructure Fund.
- Lead financial advisor to the banking syndicate on the workout of a Tier 1 automotive components supplier with global operations.

#### Qualifications/memberships

- Fellow, Institute of Chartered Accountants, Australia
- Fellow, Institute of Chartered Accountants, Ireland
