

## Marcus Ayres

### Partner

#### Overview

Marcus has twelve years' experience in corporate insolvency, reconstruction and advisory and has spent a number of years working overseas with secured lenders in Hong Kong and China.

Marcus' speciality is working to assist his customers with financial difficulties and implementing exit strategies if they are required.

Marcus has been involved in all forms of corporate insolvency, including voluntary administrations, liquidations, receiverships and diagnostic reviews of debt impaired entities.

He is one of the liquidators of the Australian arm of Lehman Brothers which involves cross border insolvency issues and the unwinding of complex derivative products.

#### Specialist expertise

Marcus has been involved in a wide variety of business sectors, but has particular experience in:

- manufacturing
- financial services
- hospitality, tourism and leisure.

#### Experience/recent transactions

Marcus has significant experience working on cross-border insolvency matters including:

- receiverships of corporate groups with operations in various Asian countries
- a worldwide investigative sweep of a foreign currency Ponzi scheme
- complex negotiations and litigation to unwind structured credit products in the United Kingdom and United States.

Marcus also has experience trading businesses in Australia and South East Asia and has worked with a number of syndicates to exit distressed manufacturing businesses in China. He has also worked on a number of debt restructuring projects in Asia on behalf of syndicated lenders.

#### Qualifications/memberships

- Bachelor of Commerce
- Chartered Accountant
- Official Liquidator
- Registered Liquidator
- Member of the Insolvency Practitioners Association.
